GENERAL PROVISIONS: This permit is granted with the understanding that:

- (1) The applicant assumes all liability and responsibility for any and all property damage, bodily injury or personal injuries, which may occur by, through, or in consequence of the movement of said vehicle, equipment, or load. The applicant further specifically agrees that he shall be liable and responsible to Webster County, Nebraska, for any damage to any county property, road signs, roadway, road structure, bridges, bridge approaches, and public utilities which may occur by, through, or in consequence of the movement of said vehicle, equipment, or load.
- (2) The applicant shall not begin work under this permit until it has obtained all insurance coverages required under this provision and such insurance has been approved by the county. The following insurance coverages shall be kept in force during the life of the permit and shall be primary with respect to any insurance or self-insurance programs covering the county, its officials and employees.
Commercial General Liability Insurance. Coverage must protect against claims for damages resulting from bodily injury, including death, personal injury and property damage. The minimum acceptable limits of liability shall be \$1,000,000 each occurrence. Automobile Liability Insurance. Coverage shall include liability coverage addressing claims for damages resulting from bodily injury, including death and property damage, which may arise from the operations of any owned, hired or non-owned automobile. The minimum acceptable limit of liability shall be \$1,000,000 Combined Single Limit for each accident. Webster County is to be named as an additional insured on both insurance coverages required under this section. The Applicant shall furnish the county with a Certificate of Insurance evidencing the coverages required under this provision.
- (3) The applicant shall comply with all laws of the State of Nebraska and all rules and regulations of the Webster County Road Department, which have been or which may be herein after adopted relative to the use of the roads for movement of special vehicles or objects. This permit is issued only on county roads that this department has responsibility.
- (4) This permit shall be carried in the vehicle to which it refers and shall be open to inspection by any police officer or authorized agent of Webster County Road Department or State Officials.
- (5) Violation of any of the terms or conditions of this permit shall automatically revoke it and the penalty of the original limitations shall be applied.
- (6) The applicant shall be responsible for all necessary trimming of trees in the County Right-of-Way and removal of the trimmings. Permission for trimming of trees that are not in the County Right-of-way shall be obtained from the appropriate property owner by the applicant prior to the move.
- (7) All signs along the route may be lowered or removed as needed by the applicant and will be replaced immediately and in the same condition prior to the move.
- (8) Permit is issued only for the most direct route from the starting point to destination as shown on attached map. A county representative shall accompany truck when traveling over routes with bridges.
